Trainer Biography

Valeria Cruz-Sandino is a CPA certified in California (License 140531) and Tax Professional registered with the IRS, as well as a QuickBooks Certified Advanced ProAdvisor. Valeria has worked in public accounting at a “Top 200” largest CPA firm in the U.S. serving high net work taxpayers, multi-state business operations and working with international tax matters. Her accounting firm, KWB specializes in Seed-to-sale bookkeeping and inventory costing, 280e cost accounting and tax services, GAAP/Accrual basis financial statements preparation, cash flow maximization and IRS/State compliance. KWB is part of a national network called AFC (Accounting For Cannabis), whose members include expert CPAs, EAs and CFOs focused solely on the cannabis space
